**Scholarship Committee Report (Ben Loyola):** One candidate received so far, club is still looking out for any entries that may be coming in late but postmarked by 5/1.

**RRRT Report ("Bird" Lawrence Taylor & Ben Loyola):** There have been some updates and repairs thanks to recent contributors. Dr. Carlos Salgado at NSU is looking to hold meeting about telescope soon.

**Alcor Report (Bruce Powers):** No report, Bruce away.

**Old Business:**

- Chuck submitted Cavalier order for 25 t-shirts
- GJ Scholarship raffle will be done during December luncheon instead of summer picnic
- Chuck created solar filter for telescope with new design, email him with interest in DIY solar filter workshop
- Kayla away for summer for NASA internship, will be transcribing minutes remotely
- Submit pictures, articles, ideas for BBAA newsletter to Leigh Anne via email
- XT8 Dobsonian + stargazer's toolkit ordered for GJ Scholarship raffle

**New Business:**

- Discuss ideas for items to give away at summer picnic (lower cost door prizes)

**Observing Reports & Announcements:** Dr. Sayanagi is starting image analysis and impact detection for Jupiter, anyone with telescope or camera can participate if interested. Chuck able to see Jupiter and Saturn in the mornings using a 12.5" telescope. A member visited Galileo museum in Florence, Italy a couple months ago and spoke about his visit. Another member visited the new Frost Science Museum in Miami, FL and recommends it. Club gave reminder about Greenbank Star Quest in June (Greenbank, WV) and ALCON in July (FL).

**No presentation.**

**Meeting adjourned at 8:26 PM.**
